

Correction to “Sensorless Speed Measurement of AC Machines Using Analytic Wavelet Transform”

José M. Aller, Thomas G. Habetler, Ronald G. Harley,
Rangarajan M. Tallam, and Sang Bin Lee

In the above paper [1], there is an error in the sign of the exponent of e in (2). The corrected equation is as follows:

$$Sf(u, \xi) = \langle f, g_{u, \xi} \rangle = \int_{-\infty}^{+\infty} f(t) e^{-j\xi t} g(t - u) dt. \quad (2)$$
